Leaf Collection and Street Sweeping

Yoga!!

Community Service Officer

Stormwater

Adair Rural Fire and Rescue Seeks Volunteers

Adair Village Food Mart

### Adair Village Mission Statement

*To build a safe, attractive, vibrant environment with a welcoming sense of community.*

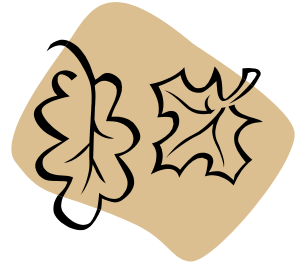

## LEAF COLLECTION and STREET SWEEPING

Leaf pick-up days are scheduled for **Monday, November 13<sup>th</sup> and Monday, December 11<sup>th</sup>**. Please rake leaves into the street just before the collection dates. Be sure that you are not blocking bike lanes, storm drains or driveways.

Street sweeping will happen the day after leaf pick up – **November 14<sup>th</sup> and December 12<sup>th</sup>**.

Please move vehicles off the streets on both leaf pick up and street sweeping days.

Parking is available at City Hall.

## YOGA!!

The City of Adair Village will offer Community Yoga on Thursday nights from 7-8 PM starting in January. No yoga experience is necessary. This class is available for all levels of practice as a shared space to recharge your energy and relax your mind. Classes are taught by certified yoga instructor, Olivia Heath. \$5 suggested donation.

## A MESSAGE FROM THE COMMUNITY SERVICE OFFICER

Are your bushes finding their way to the neighbor's property? Time to trim back your vegetation.

### City Ordinance 40.420 Weeds, Grass and Other Vegetation (1)

No owner or person, in charge of any residential property, shall permit upon such property, improved or unimproved, or upon any parkway or sidewalk area abutting such property, any excessive growth of weeds, grass or other vegetation. Such excessive growth shall be deemed noxious vegetation, and it shall be the duty of every owner or person in charge of such property to cut down or otherwise destroy any noxious growth on such property or parkway or sidewalk area abutting thereon as often as necessary, to prevent such growth from being unsightly or a fire hazard, or maturing and going to seed.

## STORMWATER

As the rainy season starts, remember that the stormwater runoff eventually ends up in our rivers. Let's try our best to protect the health of the rivers by preventing pollution from ending up in our stormwater runoff. Here are some easy things you can do in your own home:

- Use fertilizers sparingly and sweep up driveways, sidewalks, and gutters so that leaves and litter don't enter the storm drain.
- Check your car for leaks and recycle your motor oil.
- Never dump anything down the storm drain or into a stream.
- Pick up after your pet.

## ADAIR RURAL FIRE AND RESCUE SEEKS VOLUNTEERS

Adair Rural Fire and Rescue needs your help! The Department currently has 18 volunteers, with only a couple of those volunteers being available during the day. Our Department is made up of all volunteers. If you or your neighbors don't help, we can't respond.

The Department pays for all off-site training. LBCC offers an entry-level firefighter academy in the Fall and medical training is available at various times throughout the year. Your transportation is provided, meals are reimbursed by the Department, and if babysitting is needed the Department will pay for it. You need only to invest your time and commitment.

If you are interested, please come talk with our firefighters. We are at the fire station every Wednesday night at 7 PM. Or give us a call at 541-745-7212. Please leave a message if we are not in. Chief Chuck Harris can also be reached on his cell, 541- 990-8954, for more information.

A fire doubles in size every 5 minutes and a person's brain starts to die in 4 to 6 minutes. Time is the enemy. Each minute allows an emergency to take a higher toll on you, your family, your neighbors, and our community. Please volunteer.
