Community Service Officer

Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

SUMMER WRAP UP

Thank you for another great summer! We had so much fun doing the youth program and hope the youth of the community did, too. It was a busy summer filled with arts and crafts, games, field trips, and more. The favorite field trips for the youth were AC Gilberts Discovery Village and the Cascades Raptor Center. The teen and pre-teens favorites were going to the Family Fun Center, Get Air, and Skate World. The FREE lunch program sponsored by the school district was once again a success. We served on average 20 kids each day a free nutritious lunch all summer long.

The movies in the park were a great time! We had so much fun watching *Sing* and *Lego Batman*. The party in the park was awesome! The kids had a blast having their faces painted and jumping in the bounce house. Adults and kids alike loved the cotton candy stand. We can't wait to have this event again next summer.

Thank you to all who participated in the summer youth program. The City is proud to have a program for our youth. We hope that it will grow bigger and better every year.

FALL CARNIVAL

Every year in October the City organizes a fall carnival for the children in the community. The event will take place Thursday, October 26th at City Hall from 6–8 PM. We will have games with prizes, face painting, a treat walk, and more! This year we want to make the event even better than before and we will need help from the community to help plan and run the event. If you or your teen are interested in volunteering, please contact Brittany Kennedy at

brittany.kennedy@adairvillage.org

There will be a planning meeting on September 25th from 6–7 PM at City Hall.

UPCOMING YOUTH PROGRAM EVENTS

Girls Circle will start on September 18th. It will be every Monday from 4–5:30 PM at City Hall. Girls Circle is for girls ages 11–15. At our weekly meetings we have discussions about topics like positive body images, being a good friend, respecting others, and setting goals. We also do crafts and other activities. Registration is required but can be done on the first day!

The next teen/pre-teen night will be a movie and game night at City Hall. It will be September 16th from 6-9 PM. Dinner is provided!

YOUTH AND COMMUNITY PROGRAM SURVEY

We are doing two surveys, one about youth programs and one about community programs. We would like to learn more about your family and what kind of programs would best serve you. A link to the survey can be found on the website, www.adairvillage.org Please fill them out for us. We greatly appreciate it!

YARD OF THE MONTH

The August Yard of the Month winners are George and Kathy Hackelman at 256 Azalea Drive, yard pictured below.

As a reminder, Jerry Jackson, Community Service Officer for the City, will ask a resident to join him in finding each month's yard of the month. Keep those lawn mowers, trimmers and loppers busy. You may be September's winner!

MESSAGE FROM COMMUNITY SERVICE OFFICER

What a great Summer we have had here in the City of Adair Village. And what a wonderful town you live in! Most everyone worked hard to keep the city a great place to live. Twice this year some of the citizens were asked to clear the street for maintenance with great cooperation. The result of this cooperation allowed for new pavement overlay on Columbia and clean swept streets throughout the city. I have been here for a few months now, working as your Community Service Officer. I have met a lot of terrific people who take the responsibility of living in Adair Village seriously. The ordinances the City has set forth are there for all who live here. I ask you to continue to work on keeping the weeds, grass and vegetation cut; removing the disposal cans after they are emptied; parking only in authorized parking pads and keeping your front porch areas clean. If you have questions, please call Jerry Jackson at City Hall(541) 368-4317.

ADAIR HISTORY DAY/BARRACKS WORK

Please join the board of directors for Adair Living History on Adair History Day, Saturday, September 16th at 1 PM in the Mario and Alma Pastega Room (MA Room) at Santiam Christian. This year, State Archaeologist Daniel Pettit will present his findings from a survey of all the buildings that made up the Camp Adair cantonment.

Also, from time to time, you will see activity at the barracks buildings as Project #2 gets under way. The buildings will both be painted. The ADA-accessible door on the east barracks will have its electrical components installed, and the interior walls will be framed. Please contact Barbara Melton at (541) 745-6318 if you would like further information.
