Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

THE ECLIPSE IS COMING!

Benton County is one of the key viewing areas for the August 21st total eclipse of the sun. The county anticipates 400,000 people in the Corvallis area from August 16th – 23rd. Benton County has opened the Adair Park for paid camping for this event and has contracted with a private security company to patrol the City during this time. The City of Adair Village will also have staff on duty patrolling before, during, and after the eclipse. Because traffic is expected to be unusually heavy, it is important for our citizens to be aware and to shop before August 16th for groceries and any other items that are needed during this time.

The Corvallis Fire Department has free viewing glasses while supplies last. Benton County has a website specifically designed for this event (www.co.benton.or.us/midvalleyeclipse). Many businesses, including OSU and Benton County, will be closed the day of the eclipse. The City of Adair Village will be open for business. Republic Services will not pick up garbage on August 21st in the City of Adair Village. They have scheduled pickup for Tuesday August 22nd.

MOVIES IN THE PARK

Coming in August! Bring your blankets and your friends and family and join us for a movie under the stars. Popcorn, treats, and drinks provided. All movies start at dusk.

August 16th

Movie: Sing

August 23rd

Movie: Pete's Dragon (the new one!)

FALL CARNIVAL

Every year in October the City puts on a fall carnival for the children in the community. The event always happens around Halloween and has games with prizes, face painting, a treat walk, and more! This year we want to make the event even better than before, and will need volunteers from the community to help plan and run the event. If you or your teen would be interested in helping, please contact Brittany Kennedy at brittany.kennedy@adairvillage.org There will be a planning meeting in September!

YARD OF THE MONTH

The City of Adair Village Yard of the Month program is well under way. The July winners of the Yard of the Month are Manuel and Rosie Crisostomo at 4113 NE Laurel Drive. Kaliyah Crisostomo is pictured below.

As a reminder, Jerry Jackson, Code Compliance Officer for the City, will ask a resident to join him in finding each month's yard of the month. Keep those lawn mowers, trimmers and loppers busy. You may be August's winner!

ADAIR HISTORY DAY/SILETZ GRANT

Mark your calendars for Adair History Day, Saturday, September 16th at 1:00 PM in the Mario and Alma Pastega Room (MAP Room) at Santiam Christian. This year, State Archaeologist Daniel Pettit will present his findings from a survey of all the buildings that made up the Camp Adair cantonment. Stay tuned for more information in next month's newsletter.

ALH is also proud to announce a grant of \$7,5000 from the Siletz Tribal Charitable Contribution Fund. This grant will fund Project #2 in the east barracks building. There will be more information in next month's newsletter.

ADAIR GARAGE SALES

Thanks to your friends and neighbors the Adair Village Garage Sales are scheduled for Friday, Saturday and Sunday, August 25 – 26 from 8 AM – 5 PM, and will be advertised as such. Thanks to the City, as well, for the space in the newsletter to let everyone know. Everyone is encouraged to clean out closets and cupboards and sell those items that are no longer useful to you, because they may be useful to someone else!

You may hold your individual sales on one, two, or all three days during whatever hours you wish. If you do plan a sale, please donate one or two dollars toward the advertising. Donations can be brought to City Hall.

If you are not having a sale, but have items ready for donation, please consider donating them to Adair Living History. ALH will have a sale at 176 NE Azalea Drive. Please call Barbara Melton at (541) 745-6318 to arrange for pickup or delivery. Leave a message if no one answers.
