Adair Village Mission Statement

*To build a safe, attractive,
vibrant environment with
a welcoming sense of
community.*

INDEPENDENCE DAY AND STREET SWEEPING

The City wishes everyone a happy and safe Independence Day. It's important to remember and celebrate our good fortune live in this great country.

There's often a significant quantity of depleted personal fireworks in the streets after the 4th so our summer street sweeping has been scheduled for Friday, July 7th. Please move vehicles off the streets by 9:00 AM that day. If needed, parking is available in the City Hall parking lot.

YARD OF THE MONTH

The City of Adair Village Yard of the Month program has begun for the summer of 2017. The June winners of the Yard of the Month are Danny & Leslie Griffin at 8101 Daphne Ct. Below, Danny is pictured with his prize, a beautiful flower arrangement donated by Garland Nursery.

As a reminder, Jerry Jackson, Code Compliance Officer for the City, will ask a resident to join him in finding each month's yard of the month. Keep those lawn mowers, trimmers and loppers busy. You may be July's winner!

Thank You to the Siletz Tribal Charitable Contribution Fund

The City of Adair Village would like to thank the Siletz Tribal Charitable Contribution Fund for their generous support. With their funding we have been able to make some much needed improvements to the Kiddie Park, including the purchase of new tables and mats for the playground. Thank you!

Vandalism in the Kiddie Park

Public Works has finished installing new mats and bark chips on the playground and we have updated the tables and park shelter roof. We are working hard to keep the park clean and the equipment in working order. Unfortunately we have had another case of vandalism. Someone has spray painted the port-a-potty, park signs, our little free library, and the walk way. Repairing the damage caused by vandalism is very costly for the City, not to mention it is disrespectful. Vandalism will not be tolerated and we are working with the authorities to keep it from happening again. It needs to be a community effort to keep the park clean and the equipment in working order. We are asking the community to be respectful of the park equipment. The tables should not be moved onto the grass, and they definitely should not be walked on or used as a skate park. Please keep a look-out, speak up if you see people doing wrong, and then report it to City Hall or the Sheriff. We appreciate your help in keeping our park clean!

Summer Youth Program

Summer has started! Lunch is being served 5 days a week in the Kiddie Park. It is totally free for any youth ages 1-18! Lunch is served from 12-12:30 PM. We will have the Summer Youth Program on Tuesdays and Thursdays from 1:00-3:00 PM. There will be games, arts and crafts and field trips. Activities will start on Thursday, July 6th. This program is free to Adair Village residents and geared toward youth ages 5-12. We also have a pre-teen and teen program that will start on July 10th. We have some awesome field trips planned for the pre-teens and teens, including going to a movie and the Family Fun Center. The pre-teen and teen programs are for youth ages 11-18. Youth must be 11 by September in order to participate.

We are excited to announce that Emily Nelson has joined our staff as the Recreation Coordinator Assistant. Emily is originally from Corvallis and graduated from Santiam Christian. She will be a junior at Biola University this fall. Emily will be working with Brittany to make this summer awesome. She will be the main person for arts & crafts and lunches, and Brittany will be coming on field trips and running the teen/pre-teen program! We hope that you can join us all our fun activities.
