Adair Village Mission Statement

*To build a safe, attractive,
vibrant environment with
a welcoming sense of
community.*

THANKYOU

Thanks to everyone in the Community for your support and another good year here in Adair Village. I am looking forward to 2017 and completing some of the long-anticipated projects the City has been working on. I wanted to take a minute to review some of what the City accomplished in 2016.

After a great deal of planning and work, the City received funding for 2.8 million dollars in water infrastructure upgrades that entail:

- Two new one million gallon water tanks
- Several new master water meters to track water flow and loss
- Revitalizing Hospital Hill Reservoir
- New water intake
- Emergency Water Supply
- Development Capability

These are just some of the positive impacts that the upgraded and new infrastructure will provide through this funding. I also wanted to point out that the City will not have to pay back \$515,000.00 of that funding because of being awarded that amount as a forgivable portion of the loan. The City is expecting all of this work to be completed in the first half of 2017.

The City issued four building permits in 2016 including a large commercial facility that will begin construction this year. In 2015 the City did not have any structural permits and the year before there was only one.

In 2016 the City of Adair Village also really focused on getting caught up on the City's audits. The City completed both the 2013 and 2014 audits and is expecting to be completely caught up in the first half of 2017.

The City made fiscal responsibility a higher priority in the last two years and it shows in the City's Local Government Pool (the City's savings account). Last year the City had \$504,937.50 in the investment pool and this year we are up to \$896,827.00.

There are many other exciting things the City achieved in 2016 but I look forward to what the City can accomplish this year and to the opportunities it brings. I am proud to represent the City of Adair Village as your City Administrator. Please know that my door is always open.

FOUNDERS DAY INFORMATIONAL MEETING

Founders Day will be on May 13th, 2017! We will be having an informational meeting to brainstorm ideas on **Thursday, January 5th** at 6:00 PM at City Hall. Please come help us plan this amazing community event.

CSO REPORT

Reminder: City Ordinance 40.480 Storing Property on Public Ways. No person shall use any portion of the traveled roadway, sidewalk, or other portion of the public way or road right-of-way to store or keep recreational sports equipment or personal property of any kind, except vehicles and trailers, as defined in Chapter 43 Parking and Standing Vehicles, which limits trailers and RV's to four days on any public way.

Adair Village is looking for persons interested in becoming a Community Emergency Response Team (CERT) member to help staff our local team. Training and equipment are free and selected persons will be trained to react in various emergency situations. Interested parties should contact the CSO at 541-368-4317.

Elderly or handicapped persons needing help stacking wood or preparing for winter can contact the CSO and request help. If you are elderly or disabled and need assistance, or are leaving the area on vacation and would like trash help and/or house monitoring please contact the CSO at 541-368-4317.

UPCOMING YOUTH PROGRAM EVENTS

We have some exciting events coming up for the pre-teens and teens. Be sure to check out Nextdoor and the website (adairvillage.org) for more information.
