Administration
- Wastewater DRC – Eric Harvey now has enough time to apply and test for his wastewater treatment II certification.
- Planning – CA Hare is working with Philomath, Monroe and Benton County about the possibility of contracting an in house planner from the county.
Property/Businesses
- Farm Foods – Jim Jones will be coming to the council to present his proposal.
Major Projects/Engineering
- Wastewater/Leachate – CA Hare met with Republic Services and went over the final draft of an agreement. There were no major setbacks so they are going to send it through their legal department for review.
- Water Intake – The intake work is completed and is working well. ODFW has taken responsibility for any maintenance on the screen and intake canal.
- Water Tanks – Engineering America is performing their last inspection on the inside of the west tank to see if there is any deficiency with the liner that was installed. They have given Civil
West the final documents that we were waiting for. After review by Civil West, the final payment can be made less funds withheld for the leaks.

- Calloway – The pump station has been fixed. The roof being replaced is the last thing to be done.

Planning/Permits
- Brian Donn – He has purchased the residential portion of the ServPro property.
- ServPro – Tim McGinnis is hoping to be moving into the new facility in March.
