Come join us at the **Adair Fire's Main Station**

6021 NE Marcus Harris Ave.

Fire Truck Rides

Live Car Fire Demonstration @ 1pm

Kids Events

Raffle and More

STORMWATER EDUCATION

As the rainy season starts, remember that the stormwater runoff eventually ends up in our rivers. Let's try our best to protect the health of the rivers by preventing pollution from ending up in our stormwater runoff.

Here are some easy ways you can do that in your own home:

- Use fertilizers sparingly and sweep up driveways, sidewalks, and gutters so that leaves and litter do not enter the storm drain.
- Check your car for leaks and recycle your motor oil.
- Never dump anything down the storm drain or into a stream.
- Pick up after your pet. Pet waste contains bacteria and nutrients that can harm the health of our nearby rivers.
