Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

STREET SWEEPING

Street sweeping will occur on **October 7th**. Please be sure that you are not blocking bike lanes, storm drains, or driveways. Move vehicles off the streets. Parking is available at City Hall.

FRIENDS OF ADAIR VILLAGE UPDATE

The Kids Summer Program completed two art projects in the Adair Kiddie park this year. The project was supported through a grant from Benton County Cultural Commission. This allowed us to contract an artist in residence, Benjamin Santos, who worked with the kids in the summer program to create two art projects in the kiddie park- a mural painted on the shed, and a mandala on the basketball court. In addition to the kids, many parents and adults from the community donated time and their talents to make this project successful. Additionally, we want to thank Sherwin-Williams of Corvallis for their support of this project.

Friends of Adair Village participated in the Community Day of Service on September 13th at the Benton County Fairgrounds. This was a non-profit fair and community service project sponsored by JustServe. Each non-profit had a service project available for the public to participate in. We wrote "Happy Grams" for the residents of the Holiday Regents Senior Living facility in Corvallis. A total of 84 cards were delivered to the seniors that day. Wonderful thoughts and wishes sent by the community!
