STORMWATER EDUCATION: SPRING CLEANING TIPS

Spring is almost here and some of you may be starting your annual spring cleaning. Help keep our environment healthy with a few simple steps:

- Sweep up any loose debris rather than washing it into the street.
- Find hazardous wastes like paints, oils, vehicle fluids, or pesticides? Please do not flush them or pour them down the drain! Instead, check for one of Republic Service's Residential Household Hazardous Waste Events.
- Do you have loose materials like dirt or mulch stored outside? Secure a tarp over top of it to prevent the material from being washed away before it can get placed in your gardens.
