*To build a safe, attractive,
vibrant environment with
a welcoming sense of
community.*

CITY ADMINISTRATOR'S COMMENTS

The City would like to thank one of our own for the amazing job he did on the community entrance sign. Ladd Hostick, a local landscaper who lives here in Adair Village, submitted a bid to the City a few months ago asking if he could create his own design. The sign was in much need of attention, so the City agreed that it could use a face lift – and the price was right. Ladd did an amazing job and I encourage anyone who has not had a chance to take a moment and appreciate the work that was recently completed to do so.

We would also like to thank the Public Works Department for their continued dedication to this City. Public Works staff, full time employees Matt Lydon and Eric Harvey, have battled multiple leaks throughout town over the last few months. These public servants have not only managed to handle emergency situations and long hours but have also maintained all of the different green spaces across town. If you see either of them please let them know that their hard work is appreciated.

THANK YOU, SILETZ TRIBAL CHARITABLE CONTRIBUTION FUND

The City of Adair Village would like to thank the Siletz Tribal Charitable Contribution Fund for their generous support. With their support we have been able to make some much needed improvements to the Kiddie Park, including installing new tables and mats for the playground. Thank you!

KIDDIE PARK

The Public Works Department has been busy making improvements to the Kiddie Park. The new shelter and tables are just the start. We will be installing playground mats and refreshing the bark chips before the summer program begins.

While these improvements are needed, the need was amplified because of vandalism. Repairing the damage caused by vandalism is very costly for the City. A community effort is needed to keep the park clean and the equipment in working order. We are asking everyone to be respectful of the park equipment. The tables should not be moved onto the grass, and they definitely should not be walked on or used as a skate park. If you see these things happening, please say something and then report it to City Hall or the Sheriff. We appreciate your help in keeping our park clean!

PRE-TEEN AND TEEN NIGHT MOVIE AND GAME NIGHT AT CITY HALL

Join us for movies, games, and dinner on May 30th from 6:00-9:00 PM at City Hall. This event is totally free for Adair Village Youth ages 11+.

SUMMER YOUTH PROGRAM

Summer is just around the corner and we are planning some exciting activities for the Summer Youth Program. There will be a free lunch program for youth ages 1-18. Lunch is served Monday-Friday from 12-12:30 PM in the Kiddie Park. The lunch program will start June 26th and go through September 1st. The Summer Youth Program will be on Tuesdays and Thursdays from 1:00-3:00 PM. There will be games, arts and crafts and field trips. Activities will start on Thursday, July 6th. This program is free to Adair Village residents and geared toward youth ages 5-12. We also have a pre-teen and teen program that will start on July 17th. We have some awesome field trips planned for the pre-teens and teens, including going to a movie and the family fun center. The pre-teen and teen programs are for youth ages 11-18. Youth must be 11 by September in order to participate.

COMMUNITY SERVICE ITEMS

City Ordinance 40.474 (Prohibited Property). 40.474 Personal Property Not Specifically Designed for Outdoor Use:

No person shall keep any personal property outdoors on or in any street, vehicle, lot, porch, or premises or in a building or other structure that is not wholly or entirely enclosed, except doors used for ingress and egress, unless that personal property was originally designed and manufactured for outdoor use. If you have received a warning regarding Prohibited Property and have questions please call 541-745-5507.

As people enjoy the warm weather please remember when parking recreational vehicles, trailers and/or boats, sidewalks and pedestrian ways must be clear at all times. This includes drive-ways adjacent to sidewalks.

If you are an elderly or disabled resident in Adair Village and need assistance with trash containers or assistance with minor yard work, please call City Hall at (541) 745-5507 and coordinate for your trash cans to be placed out for trash pickup and put back.
