CITY WATER SHUT OFF

Many Adair residents have asked questions about the water shut off that happened last month. Here is the story. On Tuesday, April 9th, a company was doing some directional drilling near Santiam Christian School and hit a main water line in the process. The break caused water to shoot up about 60 feet in the air and had to be shut off quickly to reduce loss and to begin to repair the line. The shut off affected about 3/4 of the City.

City staff immediately set out to inform residents of the shut off through so-
cial media, our website, and the message on our phone system. Then, the
City prepared and hand-delivered a notification to every resident to boil wa-
ter which is a requirement from the Oregon Health Authority. The notice was
a precaution and was not intended to alarm residents about the safety of the
water. The repair work was handled very quickly and the water was back on
by early evening the same day. The water was tested on Wednesday morning
and cleared 24 hours later on Thursday, April 11th as safe. The residents
were then informed that the boil water notice was lifted.

MUNICIPAL COURT CHANGE

The City of Adair Village will no longer have a Municipal Court. All tickets
or citations will be handled by the Benton County Court. Their phone num-
ber is (541) 766-6828.

PUBLIC NOTICE ALYRICA FRANCHISE AGREEMENT ORDINANCE 2019 #1

The city is looking into a Franchise Agreement with Alyrica, a cable provider,
to provide fiber to the community. The agreement would cover the new de-
velopments as well as the rest of the city. The first reading of the agreement
will be on May 7th, 2019.

WORK ON WILLIAM R. CARR

The development of three new duplex units on William R. Carr has begun and is expected to be completed this year, with six more units to be built in the next few years. Thank you for your patience throughout the construction projects which will enhance our community and help sustain our businesses in the future.

PUBLIC HEARING

The Budget Committee for the City of Adair Village will hold its second meeting on Tuesday, May 7th, 2019 at 6:00 p.m. at the Adair Village City Hall, 6030 William R. Carr Avenue, Adair Village. The purpose of this meeting is to present the budget and the budget message and to hold a public hearing.

FROM COUNCILOR BRET RAY

Each Spring and part of the Summer our city endeavors to recognize one yard a month for exceptional landscaping and curb appeal. The selected resident is recognized with a gift card and a yard sign. This year we would like to invite a team of volunteers to partner with our Community Service Officer, Jerry Jackson, to make the selections. If you would like to be involved with the process of nominating and selecting outstanding yards please contact City Hall.
