- New Monthly Utility Billing

Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

SEPTEMBER IS NATIONAL PREPAREDNESS MONTH

National Preparedness Month is recognized each September to promote family and community disaster and emergency planning now and throughout the year. The 2019 theme is **Prepared, Not Scared. Be Ready for Disasters.**

The City of Adair Village is looking to start a Community Emergency Response Team (C.E.R.T.) <https://www.ready.gov/community-emergency-response-team>

Become a trained Community Emergency Response Team (CERT) volunteer and learn the skills needed to help your family, neighbors and colleagues during a disaster.

If you are interested contact Jerry Jackson, Community Service Officer at 541-745-5507 or drop by City Hall.

STREET SWEEPING SEPTEMBER 11TH

On Wednesday, September 11th, the City will be having the street sweeper passing through the neighborhood. Please move your cars off the streets so that the community can benefit from clean streets. You can park at City Hall if you do not have a place to put your vehicles. Please remove all vehicles from the roads. Thank you!

YARD OF THE MONTH WINNER

Congratulations to Alice & Ron Tucker, 8267 Hyacinth Dr. They received a \$20 gift card to Sweet Taste Bakery and Coffee House for winning this month's contest. We would also like to gently remind residents to keep mowing their lawns in order to maintain the beauty of Adair Village for all.

COMMUNITY EVENTS

Do you have a hobby that you love and want to share with other people? Whether it be crocheting, fly tying, painting, homebrewing, or whatever you do, we are hoping to bring the community together through interesting learning experiences. We are interested in finding community teachers for fun and unique events. Please contact Jessica at jessica.il@adairvillage.org if you have a hobby you would love sharing and teaching to the rest of Adair Village.

NEW WATER BILLING SYSTEM

City of Adair water customers will be noticing a new utility bill in the mail in the coming months. We are transitioning to Caselle software which includes the following features:

- System Integration—Electronic Meter Readings will interface directly with the software, improving efficiency and accuracy.
- A Worry-Free Automatic Payment Option—Customers will be able to set this up on their own to make their monthly payments a breeze!

Please note that the new system will have firm payment due dates with no exceptions, as you would expect from any Utility Billing System. Late fees will be generated by the system automatically.

**NOW OPEN
FOR LUNCH!
BEGINNING JULY 8TH
MONDAY THRU FRIDAY
10:30 AM UNTIL 3:00 PM**
