Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

ADAIR RURAL FIRE AND RESCUE OPEN HOUSE AND FIRE HYDRANT TESTING

Saturday, October 5th, 2019; 11 a.m. to 2:30 p.m.
Adair Village Main Station
6021 NE Marcus Harris Avenue, Adair Village

We will have fire engine rides and fire fighting demonstrations. We are currently in the middle of a \$1.7 million Seismic Up Grade grant and the public access to our building will be limited with the construction going on. However we like to show you what we are trained to do in emergency situations so we hope you'll join us on the 5th.

Also, we will be testing the hydrants in the village during the month of October. This is a requirement of the Insurance Service Office (ISO) to insure that there is adequate water available to suppress a fire if the need should arise. ISO is the rating consultants that

provides efficiency rating for fire departments nationwide. Our rating is a 3/3Y out of 10; 1 is the best, Corvallis is a 2. Maintaining that rating is important to you because it drives your insurance premiums. So, I apologize for the dirty water that is stirred up during the test.

~Chuck Harris, Fire Chief, Retired, Adair Rural Fire and Rescue

COMMUNITY CENTER EVENTS

October 8th, 5:30—6:30 p.m. Join us for a **children friendly concert with Jessa Cambell!** Jessa is an Oregon-based performer who bridges the worlds of music and ecology by enchanting young audiences with the wonders of nature through her songs. Adults can expect a blend of familiar folk children's songs mixed with original tunes written about what it's like to grow up in the Pacific Northwest.

Oct 23rd, 5—7 p.m. **Make your own canvas candy bags** just in time for trick or treating! There are 15 spots available; please contact Jessica Il at jessica.il@adairvillage.org to reserve your spots. The event is free.

Oct 28th, 5—7 p.m. **Make your own spooky masks.** There are 15 spots available; please contact Jessica Il at jessica.il@adairvillage.org to reserve your spots. The event is free.

Continued on page 2...

COMMUNITY CENTER EVENTS (Continued)

Do you have a hobby that you love and want to share with other people? Whether it be crocheting, fly tying, painting, homebrewing, or whatever you do, we are hoping to bring the community together through interesting learning experiences. We are interested in finding community teachers for fun and unique events. Please contact Jessica at jessica.il@adairvillage.org if you have a hobby you would love sharing and teaching to the rest of Adair Village.

COMMUNITY YOGA

The Thursday evening yoga class has been discontinued due to insufficient interest. However, the instructor, Olivia Heath, is willing to consider offering yoga for special events in the future if there is enough interest. Please let Jessica Il know if you would be interested in yoga on a monthly basis or perhaps paired with another event. Jessica can be reached at jessica.il@adairvillage.org.

NEW WATER BILLING SYTEM

City of Adair water customers will be noticing a new utility bill in the mail in the coming months. We are transitioning to Caselle software which includes the following features:

- System Integration—Electronic Meter Readings will interface directly with the software, improving efficiency and accuracy.
- A Worry-Free Automatic Payment Option—Customers will be able to set this up on their own to make their monthly payments a breeze!

Please note that the new system will have firm payment due dates with no exceptions, as you would expect from any Utility Billing System. Late fees will be generated by the system automatically.

**NOW OPEN
FOR LUNCH!
BEGINNING JULY 8TH
MONDAY THRU FRIDAY
10:30 AM UNTIL 3:00 PM**
