- Leaf Collection and Street Sweeping
- Adair CERT Training
- New Water Billing System

Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

ADAIR VILLAGE YOUTH PROGRAM EVENTS

Nov. 7 from 4:30 to 5:30—Come join us for caramel apples, cider and stories with Corvallis Library staff at the Adair Community Center. Come make your own apple lollipops and enjoy your creation while listening to story time and sipping hot cider! Fall crafts to follow.

Nov. 16 from 10:00 a.m. to 12:00 p.m.—Our first ever teen resume building event will be held at Safe Haven Animal Shelter in Tangent. Please wear clothes you do not mind getting dirty in. Teens must sign a waiver (parents must sign for teens under 18). Please RSVP to Jessica at jessicail@adairvillage.org or message her on the Adair Village Youth Program Facebook page.

COMMUNITY CENTER EVENTS

Do you have a hobby that you love and want to share with other people? Whether it be crocheting, fly tying, painting, homebrewing, or whatever you do, we are hoping to bring the community together through interesting learning experiences. We are interested in finding community teachers for fun and unique events. Please contact Jessica at jessica.il@adairvillage.org if you have a hobby you would love sharing and teaching to the rest of Adair Village.

LEAF COLLECTION AND STREET SWEEPING

The leaf pick up days are scheduled for the following **Mondays: November 11, and December 9**. Please rake leaves into the street just before the collection dates. Rows should be long and narrow and two feet away from the curb. Be sure that you are not blocking bike lanes, storm drains or driveways.

Street sweeping will happen the day after leaf pick up—**November 12, and December 10**.

Please move vehicles off the streets on both leaf pick up and street sweeping days. Parking is available at City Hall.

ADAIR COMMUNITY EMERGENCY RESPONSE TRAINING (CERT)

Adair's first CERT basic training course is well underway with the first cohort of seven students. They have learned how to work as a team, how to put out small fires (with the able help of Captain Chuck Harris at the Adair Fire Station), and are now learning disaster medical operations. Adair would also like to express a special thank you to our community partner, ServPro, for their support and donations of CERT supplies! If you are interested in being a part of the next group, please contact Jerry Jackson at adaircert@gmail.com.

NEW WATER BILLING SYSTEM

City of Adair water customers will be noticing a new utility bill in the mail in the coming months. We are transitioning to Caselle software which includes the following features:

- System Integration—Electronic Meter Readings will interface directly with the software, improving efficiency and accuracy.
- A Worry-Free Automatic Payment Option—Customers will be able to set this up on their own to make their monthly payments a breeze!

Please note that the new system will have firm payment due dates with no exceptions, as you would expect from any Utility Billing System. Late fees will be generated by the system automatically.
