### Adair Village Mission Statement

*To build a safe, attractive, vibrant environment with a welcoming sense of community.*

The ADAIR CERT Program is pleased to announce the addition of two new team members, Jonathan Purdy and John Wilson, who have completed the CERT Basic Training Course, final exam, and disaster scenario exercise.

If you are interested in joining the Spring CERT Basic Training class, please contact Jerry Jackson at 541-745-5507.

## LEAF COLLECTION SCHEDULE

The final leaf pick-up day is scheduled for **December 7**. Please rake leaves into the street just before the collection dates. Rows should be long and narrow and two feet away from the curb. Be sure that you are not blocking bike lanes, storm drains or driveways. Please move vehicles off the streets on street sweeping days. Parking is available at City Hall.

## STORMWATER EDUCATION

Did you know that your pet can impact water quality in the Willamette River? Pet waste contains bacteria and nutrients that can be harmful to fish and other aquatic life. If your pet goes to the bathroom, be sure to pick up their waste and dispose of it in a trash can. City parks have stations with waste bags to make it easy for you to pick up your pet's waste when you are out for a stroll!

# LOVE YOUR NEIGHBOR

A quarterly newsletter

*We believe that sharing community resources with one another is a sign of a healthy community.*

## Neighbors sharing with neighbors

Neighbors have embraced Village Food Pantry in beautiful ways since we opened in May. Linn Benton Food Share and the Oregon Food Bank helped us get started with **food, equipment, and advice**. Local gardeners shared **fresh produce**. Neighbors brought **food** and donated **money**. Andrew Gallagher brought fresh **eggs**. Trader Joe's, the City of Adair Village, and Village Church each helped. **Thank you, everyone, for your support.**

*Thank you, neighbors!*
