Adair Village Mission Statement

To build a safe, attractive, vibrant environment with a welcoming sense of community.

FOUNDER'S DAY IS ON THE WAY!

Founder's Day will be on **August 14th, 2021 from 10 a.m. to 3 p.m.** We are excited to be planning this wonderful event for the community. We have awesome activities planned, including:

- ♦ **A free BBQ (from 11 AM—2 PM)**
- ♦ **Merchants' booths**
- ♦ **Educational booths**
- ♦ **Creature Teachers**
- ♦ **Face painting**
- ♦ **A balloon sculptor**
- ♦ **A bounce house**
- ♦ **The Sheriff's Department**
- ♦ **The Fire Department**
- ♦ **Community Emergency Response Team**
- ♦ **Live local music**

If you are interested in becoming a vendor at this event, please e-mail Karla McGrath at karla.mcgrath@adairvillage.org. Vendor spaces are free, but we would like you to register.

ORDINANCE NO. 2021-2

In the matter of adopting text amendments originating from the Transportation System Plan (TSP) for Adair Villages Development Code Articles 1, 2, 5, 6, & 8 as adopted by Ordinance 2010-005 (amended ORD 2013-03).

Readings of Ordinance 2021-2 will take place at the next City Council meeting on Tuesday, July 6th, 2021. The Ordinance can be found online at the City's website: <http://adairvillage.org/>.

STORMWATER EDUCATION

Did you know that your car maintenance practices can impact the health of our rivers? They sure can! Here are some ways you can help keep our Oregon rivers beautiful while keeping your car clean:

- Check and fix oil and fluid leaks.
- Automatic car washes are best for the environment but, if you must wash your car at home, avoid letting the soapy water run into the drains.
- Use biodegradable or eco-friendly soaps or detergents.

A REMINDER TO MOW

City of Adair Village Code 40.420 Weeds, Grass and Vegetation

(1) No owner or person, in charge of any residentially-zoned property, shall permit upon such property, improved or unimproved, or upon any parkway or sidewalk area abutting such property, any excessive growth of weeds, grass or other vegetation. Such excessive growth shall be deemed noxious vegetation, and it shall be the duty of every owner or person in charge of such property to cut down or otherwise destroy any noxious growth on such property or parkway or sidewalk area abutting thereon as often as necessary, to prevent such growth from being unsightly or a fire hazard, or maturing and going to seed. (3) The term "noxious vegetation" applies to (a) grass and weeds more than ten inches in length between April 1 and November 1.

SIMPLE WAYS TO CONSERVE WATER DURING A DRAUGHT

1. Keep drinking water in the fridge so you don't have to run the tap while it cools.
2. Stop rinsing dishes before you place them in the dishwasher.
3. Only wash full loads of laundry and use the cold setting.
4. Take shorter showers, skip baths entirely.
5. Buy drought-tolerant plants for your home.
6. Take your car to the automatic car wash instead of washing at home.
7. Dropped ice on the floor? Give it to your plants.
8. Reuse water for your plants wherever you can (like from cooled-down water from cooking pasta or from steaming or boiling vegetable; or your pet's water bowl when you are refreshing it).
9. Serve meals straight from the pot, not from a dish.
10. Fix leaks around the house.
11. Switch from a hose to a broom for cleaning your patio and try sweeping or vacuuming hard floors instead of mopping with water.
