UGB EXPANSION UPDATE

The Adair Village City Council will hold a public hearing at 6:00 p.m. on December 6, 2022 in City Hall at 6030 William R. Carr Avenue. The Adair Village City Council will be considering an amendment to the existing comprehensive plan and comprehensive plan map for the purpose of expanding Adair Village's Urban Growth Boundary. There are two subject properties involved in the expansion which encompass roughly 55 acres. The subject properties as shown on the UGB expansion map available on the City website.

The Adair Village and Benton County Planning Commissioners have made a recommendation to approve the expansion to the City Council and County Commissioners. In November, the County and City will identify dates for a possible joint work session where the county will announce its public hearing. All UGB expansion and comprehensive plan documents are available at www.adairvillage.org.

FUTURE TRAILS PLAN MAP AVAILABLE

Adair Village has been working with Oregon Cascades West Council of Governments on developing new trails around the community. If you would like to see where the proposed trails are, we have uploaded a trails map on the City website at www.adairvillage.org.
