## UGB EXPANSION UPDATE

The Adair Village City Council will hold a public hearing at 6:00 p.m. on December 6, 2022 at Santiam Christian School, 7226 NE Arnold Ave. The Adair Village City Council will be considering an amendment to the existing comprehensive plan and comprehensive plan map for the purpose of expanding Adair Village's Urban Growth Boundary. There are two subject properties involved in the expansion which encompass roughly 55 acres. The subject properties as shown on the UGB expansion map available on the City website.

The Adair Village and Benton County Planning Commissioners have made a recommendation to approve the expansion to the City Council and County Commissioners. All UGB expansion and comprehensive plan documents are available at [www.adairvillage.org](http://www.adairvillage.org).

## FUTURE TRAILS PLAN MAP AVAILABLE

Adair Village has been working with Oregon Cascades West Council of Governments on developing new trails around the community. If you would like to see where the proposed trails are, we have uploaded a trails map on the City website at [www.adairvillage.org](http://www.adairvillage.org).

## LEAF COLLECTION AND STREET SWEEPING

The remaining leaf pick up day is scheduled for **Monday: December 5**. Please rake leaves into the street just before the collection dates. Be sure that you are not blocking bike lanes, storm drains, or driveways. Street sweeping will happen the day after leaf pick up—**December 6**. Please move vehicles off the streets on both leaf pick up and street sweeping days. Parking is available at City Hall. We apologize for the inconvenience caused because there was no leaf pick up on November 21.

## CITY JOB OPENING

Adair Village is looking for a team member to fill the Admin/Finance Clerk position. This part-time job handles accounts payable, payroll, and other administrative duties. If you are interested, please visit the website at [www.adairvillage.org](http://www.adairvillage.org) and click on the job posting announcement for more information or contact [pat.hare@adairvillage.org](mailto:pat.hare@adairvillage.org).

## STORMWATER EDUCATION

Did you know that your pet can impact water quality in the Willamette River? Pet waste contains bacteria and nutrients that can be harmful to fish and other aquatic life. If your pet goes to the bathroom, be sure to pick up their waste and dispose of it in a trash can. City parks have stations with waste bags to make it easy for you to pick up your pet's waste when you are out for a stroll.
