A MESSAGE FROM SANTIAM CHRISTIAN

Dear Fellow Adair Village Residents,

Santiam Christian is proud to be a part of this community. We aim to be good neighbors and a positive influence. Each summer, we work to improve our school, and this year is no exception. One of the significant safety improvements we are making this year is the installation of a fence around our perimeter. While this fence is to help secure our students during the school day, we plan to open our gates after school hours and on weekends so you, our community, can continue to walk through our campus as many of you do in the evenings. We all wish we lived in a world where we didn't need fences around our schools, and I hope one day, our schools again are sacred spaces free of violence; until that day, thank you for understanding our need to keep our campus safe during the school day.

Sincerely,
Al Stefan, SCS Superintendent.
