PROPERTY MAINTENANCE REMINDERS

The weather is beautiful, and the community is out enjoying the sunshine. With the lovely weather comes a couple of things to consider regarding property maintenance. First, to keep sidewalks and streets clear for travel, Adair Village Municipal Code 40.310 requires that property owners maintain tree limbs at least eight (8) feet above the sidewalk and at least ten (10) ten feet above the roadway. This is in addition to keeping shrubs and other vegetation from interfering with street and sidewalk traffic. Second, the Adair Village Municipal Code requires that grass/weeds be maintained at less than ten (10) inches in height. We hope that you have a wonderful summer and can enjoy the sunshine while it's here!
