STREET SWEEPING

Street sweeping will occur on August 5th. Please be sure that you are not blocking bike lanes, storm drains, or driveways. Move vehicles off the streets. Parking is available at City Hall.

ADAIR FIRE THANKS THE CONFEDERATED TRIBES OF SILETZ INDIANS

Adair Fire received five new sets firefighting turnouts (coats and pants) thanks to the Confederated Tribes of Siletz Indians. We were awarded a generous \$9,606.25 matching grant to replace our aging gear. The department regularly inspects and repairs all our gear to make it last as long as possible. But it still wears out and can become uneconomical to repair. This grant allows us to keep our volunteers properly fitted in quality gear to do their jobs safely.

The Siletz Tribal Charitable Contribution Fund awards charitable organizations and local governments with grants for a variety of purposes. Adair Fire has been very fortunate to receive seven previous public safety grants over the lifetime of the program. A grant for extrication equipment, portable radios, AEDs, remote front mount bumper nozzles for two of our brush trucks, pagers, and two separate grants for firefighter turnouts.

All our district's citizens, everyone who passes through, and all our neighboring departments benefit from the Siletz Tribal Charitable Contribution fund's generosity. Thank you!
